## Description

*Cozy 1 bed, 1 bath Lake/Mountain/City Lights View Cabin. Curb Appeal is stunning, you will love the recently installed/expanded parking area and sweeping stairway that that leads from the street to the front door! As you enter the foyer of "The Enchanted Cabin" you are smitten by the rustic feel, hardwood floors, open great room and massive windows that allow the sun to enter and the occupant to take in the view! The main level offers the full bath, kitchen, family room and dining area as well as the laundry room/pantry where the full sized refrigerator is located (converted from the second bedroom where bunkbeds were located). The family room also offers a wood burning fireplace for those cold evenings! There is a coat closet and two other doorways that lead to the back patio area. Upstairs is the sprawling bedroom complete with California King bed and new mattress and bedding. Below the deck is a basement area which offers a huge amount of storage. The cabin comes fully furnished with all new appliances, couch, reclining chair and desk. The deck boasts amazing views and a jacuzzi for those relaxing moments! Near the 18, moments from Shopping, Dining and Crestline Lake as well as snow sport facilities!*
