Description

Welcome home to over 3700 square ft. of Artistic Luxury-Perched high in the hills of Hip & Trendy Highland Park. Your new residence offers 4 bedrooms and 3.5 bathrooms with an amazing entertainer's space. The main living area is adorned with beautiful hardwood flooring, soaring ceilings and gorgeous architectural lines. Both Alluring and functional with an open floor plan and a direct access 2 car garage. Step out onto the multiple decks and enjoy the numerous unobstructed views. The second level boast 3 bedrooms drenched in natural light and numerous upgrades. There are guest quarters below with its own entrance, living room, bedroom and a full bath. Great for extended family or children. Built in 1992 - The possibilities of this palace are endless. Just within a few miles of all that's happening in South Pasadena & DTLA
