Property Description

Discover this hidden gem nestled in one of North Hills' most sought-after neighborhoods. This beautifully remodeled 3-bedroom, 2-bathroom home, updated in 2022, shines with impeccable care. As you enter, you'll be greeted by an abundance of natural light pouring in through expansive windows and sliding doors. The spacious kitchen island is perfect for casual breakfasts and intimate dinners. Enjoy the ambiance created by recessed lighting and modern ceiling fans, while light-colored vinyl floors enhance the home's overall aesthetic. The chef's kitchen features elegant white shaker cabinets and stunning quartzite countertops, making it a culinary delight. Custom Hunter Douglas automated shades in the living, dining, and kitchen areas add convenience with remote control functionality. Step outside to a lush backyard filled with an array of fruit trees, including fig, orange, peach, and apricot. Both the front and back yards are beautifully landscaped, offering a serene escape. A smart sprinkler system with automatic rain skip as an added feature. The recently re-plastered pool is perfect for enjoying hot summer days, while a unique collection of fragrant rose bushes and plumerias creates a true paradise feel. With an attached garage equipped with a 220V outlet for EV charging, this home is ideal for those with an electric vehicle or those planning to purchase one. You're bound to fall in love!
