Nestled on a sweeping half acre corner lot, this move-in ready home offers an exquisite blend of luxury and comfort. Designed by the renowned builder, Dave Gula, the open floor plan features high ceilings and elegant marble flooring, creating a grand, spacious ambiance. Handcrafted plaster ceiling designs in some rooms curated by Steve Selos, add a unique, artisanal touch to the home's interior architecture.

The large island kitchen, perfect for entertaining, flows seamlessly into the dining and family room areas. A fully equipped refreshment center with wet bar, positioned behind three sets of French doors, connects the interior entertainment space to the resort-like pool and spa. The beautiful loggia, complete with a covered outdoor kitchen and BBQ area, sets the scene for unforgettable al fresco dinner parties in a private setting.

With three fireplaces, four bedrooms, four baths, and a dedicated office/library, this home is designed for both relaxation and productivity. For the auto enthusiast, the property offers a spacious 4-car garage with workbenches, air conditioning, and ample storage. Oversized R/V and boat parking provides plenty of room for year-round storage. This exceptional property embodies refined living in one of North Upland's most desirable neighborhoods.
