Property Description

Absolutely fantastic, remodeled two bedroom two bathroom unit available in the most adorable complex North Hollywood has to offer! This stunner offers a remodeled kitchen, new bamboo floors, fresh paint, stainless steel appliances, a cozy fireplace, sizable patio and *gasp* washer dryer IN unit! It has everything you could ever need. Located on a great street near everything in North Hollywood, it's a dream! The complex is newly painted, has a great pool and gated, secure parking. The building is what you think of when you think "California living". Great landscaping and an enjoyable corridor as you make your way home. It's very "Melrose Place". We love everything about this building and this unit! Come and see for yourself!
